THE OG-WOI PEOPLE'S ORCHARD & GARDEN IS: ...a public orchard along the Jordan River that provides free food for everyone. 

#forthepeople #foralllife #communityresilience

... a neglected lot in public space made into a living, breathing community asset. 

...fruit trees & vegetables planted and maintained, free for the public to harvest. 

...an example model of how food can be free and accessible. 

...a place to give to the overall health of the environment & to learn and teach community resiliency and caring. 

... a place where art has been used to honor local activists.
